

The Daly News

I cannot believe that we have finally arrived at the last day of this (strange) academic year! What a year it has been—through numerous school closures to an ever changing educational landscape, we have emerged to greater freedoms just in time for the summer holidays.

Of course, at this time of year we naturally reflect upon our experiences throughout the year and despite the tribulations, I can genuinely say that I feel proud to be a part of such an amazing school community.

The ways in which we have all adapted to last minute changes to our regular routines, whilst minimising disruption and maximising opportunities for our children, has been truly incredible. Typified for me this week, as our oldest children, Year 6 had their final achievement assembly where we were able to invite our first group of parents and carers into the school hall after almost 18 months!

This was a real positive to conclude their primary education with and I hope is only the beginning of us being able to re-engage with our community more often as we return to some semblance of normality.

As with any reflection however, there is also an opportunity to look ahead. Similarly to being able to invite parents and carers into school for the first time again, we hope that come September and the commencement of the new academic year, that these sorts of events will return as the norm and even become weekly fixtures in the diary once again.

Included this week, are simply some information regarding our school uniform (as we know due to school closures, bubbles closures etc that this might need updating) for your information, along with the term dates for September.

This newsletter will be our final communication ahead of September and we hope that you and your family are able to rest, relax and enjoy the break together. **We look forward to seeing your children back at school on Thursday 2nd September 2021.**

Best Wishes,
